Modul-System

Som kunde hos Modul-System kan du være sikker på, at du har foretaget et klogt valg. Vi har mere end 40 års brancheerfaring og har arbejdet med vores sikkerhedsprogram i mange år. I dag benytter vi nogle af verdens mest velrenommerede sikkerhedscentre til udførelse af kollisionstester, bl.a. Volvo Cars Safety Centre. Men erfaring er ikke nok. Vores evne til at være fremadtænkende samtidig med at vi tager tid til at forstå alle vores kunders behov, er lige vigtigt. For hvert af vores udviklingsprojekter rådfører vi os i fora, både med kunder og slutbrugere, hvilket gør det muligt for os at skabe innovative nye produkter.

Kvalitetsbevidst til mindste detalje

Vores produkter er i overensstemmelse med den europæiske standard TÜV. Gennem ISO 9001 certificering kan vi sikre kvalitet i hvert trin, fra udvikling og produktion til salg, kundeservice og levering. Dette gør det muligt for os at tilbyde en 5 års garanti på alle produkter vi selv producerer. Desuden har vi også den hurtigste og mest pålidelige levering i branchen.

Modul-System Service Center

I flere år har vi haft et veletableret og bredt netværk af servicecentre i hele Europa. Hvert Service Center er en autoriseret forhandler med den nødvendige erfaring til at imødekomme dine behov, da deres personale har en komplet indsigt i vores produkter og ved hvordan de skal installeres i dit køretøj. De kan også levere væg og gulvbeklædning, elektronik og tilbehør som belysning, lastbefæstigelse og tagbokse.
